Good Morning Mr. Nelson,

My name is Jerome Paciorkowski and I am the controller for Detroit Iron & Metal Co. and McNichols Scrap Iron & Metal Co. two scrap metal dealers in Michigan. In the past we shipped scrap auto batteries to a company in Ontario, Canada; Tonolli Canada LTD. And we would submit the US EPA report detailing these shipments. My question to you is do we have to continue submitting these reports if we are no longer shipping scrap auto batteries to Canada? I have enclosed reports for both Detroit Iron and McNichols for 2016 in the event that they are still required. Please let me know if I still need to send these. I appreciate your assistance with this matter. You can contact me through e-mail [Jerome@detroitironandmetal.com](mailto:Jerome@detroitironandmetal.com) or phone, my number is 313-841-5550.

Sincerely,

Jerome Paciorkowski  
Controller
